

Operation Smile

About Operation Smile
Operation Smile is a non-profit organization providing reconstructive surgery to indigent children and young adults in 21 developing countries as well as the United States. Based in Norfolk, Virginia, Operation smile also provides education and training to physicians and other health care professionals to achieve long-term self-sufficiency. Since 1982, Operation Smile has treated more than 50,000 children throughout the United States and Abroad.

Operation Smile extends a personal thanks to Greg Chait for creating the game program; Constantine G. Pergantis of Nite Lites for organizing the celebrities & the program; Brian Korody of DrinkMore Water & John Philbin of Philbin's Family Fitness for supplying the bottled water; MJM Graphic Communications for donating the printing of this program; Alfredo Benavides, Landon School faculty advisor, for coordinating game logistics.
